

Bottle trolley®

10 years warranty

Demonstration in video

Functional, ergonomic and safe, the cylinder block hand truck® is equipped with a patented assisted lifting system that reduces the effort involved in handling gas cylinders.

Performance

- Suitable for different bottle diameters.
- Height-adjustable lifting mast.
- Product delivered with nameplate and technical instructions.
- Strap model: manual tightening.
- Jaw model: automatic clamping and unclamping on raising and lowering.

Ergonomics

- Picking up the bottle directly from the ground without lifting it.
- Possibility of installation and removal from an elevated platform.
- Supporting stand for easy movement.
- Comfortable to ride on thanks to its large wheels.

Maintenance and warranty

- 3 year warranty excluding wearing parts.
- Maintenance contract on request: service provided by our teams. Subscription possible for new or existing Manuvit equipment.

Moreover, as nothing should justify throwing away a product under the pretext that it is damaged, we are able to put back in use all the materials of our manufacture and this, without limit of duration.

Strap model, manual tightening
